

PLEXIFLOR REINFORCED ACRYLIC COATING

Plexiflor is an all-weather, reinforced acrylic coating specifically formulated for use over asphalt and concrete surfaces creating an affordable, easily maintained sport surface. The textured yet non-abrasive surface is ideal for in-line hockey, volleyball courts, skate parks, play areas, and multi-sport recreational areas.

1. Concrete or Asphalt

2. Acrylic Resurfacer

Acrylic Resurfacer blended with approved silica sand

3. Plexipave

Sand-fortified Plexipave color provides a uniform surface texture and determines the speed of play and traction of the court

4. Translucent Coating

5. Line Paint

A heavy bodied acrylic latex

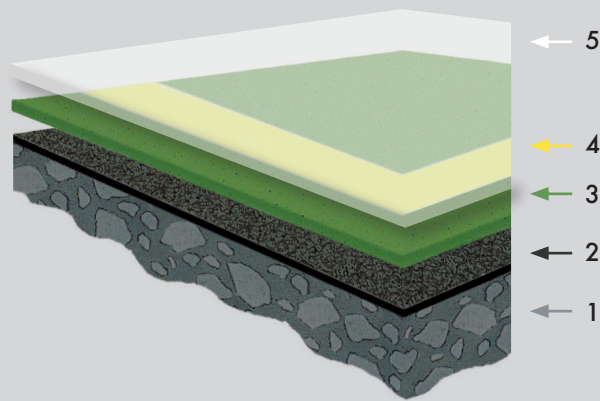

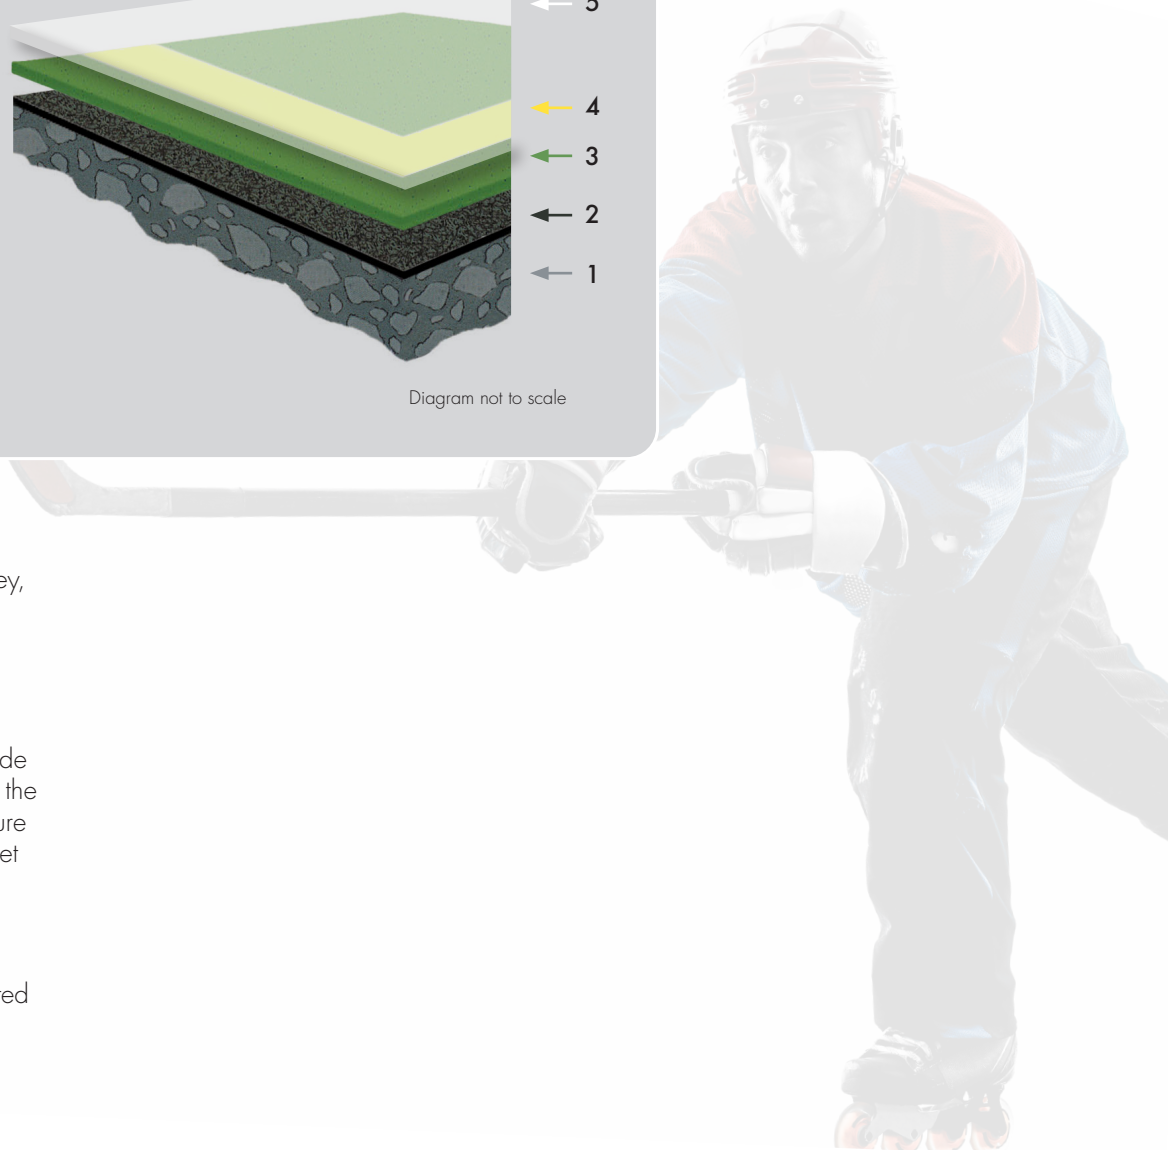

Diagram not to scale

- Can be used for inline hockey, skate parks, shuffleboard, or other sports requiring a smooth, consistent, yet durable surface
- Durable, smooth resins provide a surface that can withstand the incredible impact and pressure associated with inline or street hockey use
- Easy to clean and maintain
- Translucent coatings formulated to complement the diverse pallet of Plexipave colors

MULTI-SPORT SURFACE SOLUTIONS FOR:

Plexipave[®]

Plexipave[®]

Plexiflor is a reinforced acrylic finish coating that is specifically formulated for use over Plexipave and Plexicushion Systems as a multi-purpose athletic surface. When applied as a surface finish over Plexipave or Plexicushion Systems, Plexiflor provides subtle non-abrasive texture that is easy to clean and can accommodate a variety of recreational activities. Plexiflor is supplied in a ready-to-use formula that is applied in a minimum of 2 coats as a finishing surface for uniformity and color intensity.

OUR COMMITMENT TO QUALITY

Since 1953, California Sports Surfaces has provided customers with a premier offering of acrylic surface systems. Our products include DecoTurf, Plexipave, Rebound Ace, Premier Sports Coatings, Plexitrac, SignaSports, Sport Tough and StreetScape. We provide the world with comfortable, high-performance cushioned surfaces for a variety of professional, collegiate and recreational sports as well as decorative projects, bike lanes, parking lots and more.
