CRICKET WICKET

Rebound Ace's exclusive mat technology mimics the comfort and bounce of a natural wicket area.

IMPACT

Rebound Ace's Impact line was designed to handle the hours and hours of practice needed for athletes to master their sport. The flexible, non-abrasive surface uses special water-based impact-resistant technology that lowers risk of injury and strain on muscles and joints. Features like consistent ball bounce, resiliency to wear and tear, and pressure marks make this a popular choice for indoor sports as well as school and college halls, and assembly centers.
