

REBOUND ACE PRO CUSHION

Rebound Pro Cushion incorporates multiple layers of rubber-filled acrylic resin coats. By adjusting the number of coats it allows you to choose the level of cushion comfort best suited to your sports' playing characteristics, player demographics and budget requirements; with 3 different cushion base depths and densities available:

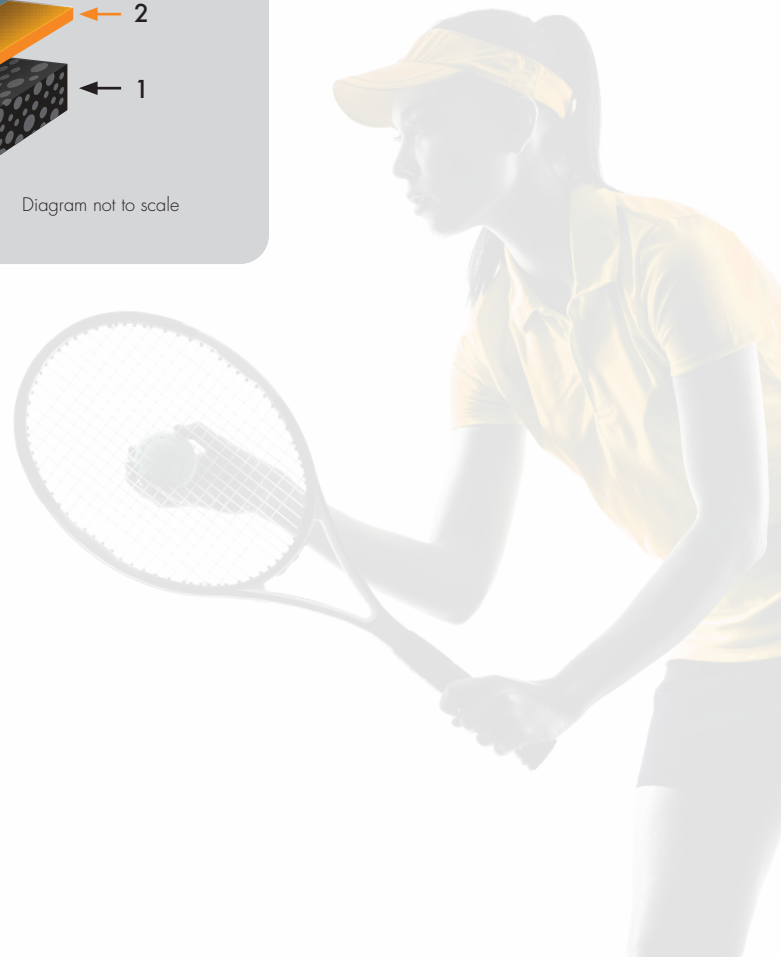

2mm - 9 coat system • 3mm - 10 coat system • 4mm - 11 coat system

1. Concrete or Asphalt Base
2. Base Coat
3. Liquid Rubber Coats
2-6 layers
4. Filler Coat X2
5. Player Surface X2
6. Line Marking

Rebound Pro provides long-lasting cushioning and low maintenance over an extended life-span providing the lowest life cycle cost available today. Rebound Pro is also suitable for refurbishment and upgrading of hardcourts to a cushioned surface.

- Long lasting, medium level cushioning
Easy on limbs and joints
- Suitable for concrete or asphalt bases
- Excellent all weather grip
- Choice of 8 UV stable vibrant colours
- Low maintenance, easy to clean and easily recoatable

MULTI-SPORT SURFACE SOLUTIONS FOR:

Designed with flexibility in mind, this system is extremely popular for Tournaments, sports clubs and private residences. Rebound Ace® Pro Cushion retains all the design, performance and playing properties of the proven, patented Rebound Ace® surfaces.
