SOUTHWEST AIRLINES WORLD HEADQUARTERS
DALLAS, TEXAS

6,528 f²

THE PROJECT

The previous courts at the Southwest Airlines World Headquarters, in Dallas, Texas, were in desperate need of renovation. The goal was to build three turn-key pickleball courts in vibrant colors, with new net posts, nets and fencing.

Starting with a bare concrete surface, the team at Master Systems Courts installed a beautiful Plexipave surface that fulfilled all the customer's requests.
