COOLTOP AT THE 2023 YEPPON PICKLEBALL FESTIVAL

The 2023 Yeppoon Pickleball Festival was hosted at the complex between the 14th and the 23rd of July, welcoming over 100 players from across Australia and NZ for 10 days of fun, competitions, coaching and tournament play.

Despite being played in July, Yeppoon still frequently has temperatures above 30°C (86°F). Prior to the tournament, CoolTop was installed on their feature acrylic courts to reduce the surface temperature (via solar reflectance), with the goal of assisting in overall player comfort.
