TRINITY GRAMMAR SCHOOL

VICTORIA, AUSTRALIA

THE PROJECT

The managers at Trinity Grammar School in Victoria, Australia, wanted to create a high quality training facility for the school community, as well as to provide a venue for future tournament training.

This project entailed eight new acrylic surfaced tennis courts, installed along with fencing and circulation paths.

SOLUTION

Rebound Ace HSA & Ultra Topcoat finish were selected as the school was seeking a high-end sports surface, aiming to provide a superior training and match experience to users and participants and to be a point of difference from other schools sports courts.

A two-tone color combination was chosen using Moss Green & Grass Green.
