

**Plexipave<sup>®</sup>**THREE COLORS TENNIS COURT RESURFACING  
BROOKSHIRE, TXHIGHPOINT TENNIS CENTER  
PLANO, TEXAS43,200 ft<sup>2</sup>

## THE PROJECT

As part of a multi-court upgrade, Highpoint Tennis Center underwent a comprehensive resurfacing project to enhance its facilities for both tennis and pickleball players.

The scope included:

- Resurfacing four tennis courts and adding two pickleball court lines on each court
- Resurfacing eight dedicated pickleball courts, incorporating 10 & under lines for youth play

Using the Plexipave system, the courts were transformed into high-performance surfaces, ensuring optimal playability and durability for athletes of all levels. The improvements reinforce Highpoint Tennis Center's reputation as a premier destination for both tennis and pickleball in the Plano area.
