DECOPAVE ESPAÑA S.L.

TOWNHALL NERJA
MÁLAGA, SPAIN1,300m²

THE PROJECT

The tennis court at Townhall Nerja had suffered from surface cracking, affecting both playability and aesthetics. To restore the court to top condition, the team at ecopave España repaired the surface cracks, and installed a new Plexipave surface coating.

The result is a smooth, high-performance playing surface, ensuring enhanced durability and an improved experience for players. This revitalized court now provides a professional-grade facility for the local community to enjoy.
