

STREETSCAPE

ACRYLOTEX 1000

Acrylotex 1000 is a 100% acrylic coating designed to elevate the durability and longevity to any asphalt or concrete surface. The colorful medium-texture, non-skid surface that Acrylotex 1000 provides is ideal for pedestrian walkways, bike paths, crosswalks, medium-use traffic areas, airport aprons and residential multisport applications.

- Colors are pre-tinted for a quick and hassle free application
- Ideal for both athletic and landscape applications with the flexibility to perform in interior and exterior facilities
- Manufactured to meet the rigorous requirements of municipalities, schools, and recreational facilities
- Durable surface is specifically formulated to extend the life of the subsurface by reducing oxidation
- Resistant to fading from UV exposure
- Requires minimal maintenance
- Exceeds ADA standards for anti-slip surfaces
